

Wainuiomata Primary School

Term 2, Week 8 2020

Dear Parents/Caregivers - Greetings, Kia Ora, Talofa

Thank you to everyone who has returned the school curriculum survey – all forms need to be in tomorrow by 3:00pm to be eligible for the prize draw. I really appreciate you taking the time to complete the forms as it gives us invaluable information when we are designing our local school curriculum.

A reminder that the following prizes will be drawn Thursday morning for completed surveys.

1. 1st prize \$150 Countdown voucher
2. 2nd prize \$100 Meat Pack
3. 3rd prize \$50 BP Voucher

We had a fun filled day on Friday with our Teddy Bears picnic – was great to see students and staff come to school in their PJs or onesies and bring their teddies along!

Look out for the article in the Wainuiomata News and you can check out some of the photos later in this newsletter.

It has been pleasing to hear that we have had no new Covid-19 cases for the last 10 days. Hopefully we will be moving to Alert Level 1 in the next few weeks – a reminder that until we do, we will continue with the drop offs at the main gate and staggered

finishes for year groups with pickups at the two designated gates. It has been wonderful seeing our students becoming really independent and it will be important that we maintain this independence once we return to 'normal'.

I would like to welcome Amira and her whānau to Wainuiomata Primary School.

Reporting to Parents

Because of the Lockdown we are changing our reporting procedures and timeframes this year.

Assessments will be carried out in week 10 and 11 of this term (please note that we have a twelve week term) and in week 2 of term 2, we will hold learning conversations. At these meetings teachers will discuss:

- how the students have settled back after the lockdown
- student's progress graphs in math, reading, writing
- celebrations with student's learning and learning agency
- learning goals that students/parents/teacher would like to work on for the rest of the year

More details will be sent out about the learning conversations nearer the time.
